

# Daycare Tour Guide

## QUESTIONS

- What are the tuition and fees? Are there discounts for multiple siblings?
- What does a typical day look like?
- What is the meal plan? If you have a baby, how do they handle frozen breast milk or formula preparation?
- How do you communicate with parents? Do you have an app?
- How do you handle discipline or behavioral problems?
- What are your potty training procedures?
- Are there enrichment opportunities (STEM rooms, music time, story tellers etc.)

## OBSERVATIONS

- Read the handbook and policies. Specifically look for protocol for snow days, sick child policy, and pick up policies.
- How clean is the home or center? Use all of your 5 senses to help evaluate this one.
- What types of security measures are in place? Things like door locks, cameras, and safe locations for natural disasters.
- Are the employees generally engaged and happy?
- Does the infant room have lots of swings, carriers, and cribs? The less the better, you want your infant to be held and have tummy time.
